RE: Letter of Interest — COMPREHENSIVE EDUCATIONAL PLATFORM Instructor

To Whom it May Concern;

Jonathan Cinelli Group is pleased to support Kilo Lima Code's **Building Codes and Beyond | A Systems Approach to the Canadian Housing Crisis** solution. We believe that Kilo Lima's approach to Building Code education can help build the capacity needed to increase the feasibility of building conversations.

Coaching. Consulting. Education.

We are excited for the opportunity to share our niche knowledge through the COMPREHENSIVE EDUCATIONAL PLATFORM. The expertise we have and intend to share is:

- Electrical Infrastructures- Installation practise- Commercial, residential, Institutional, Mulit-residential-309A Electrical certifications.
- Fundamental principles of Electrical Project Management (PMP Certified).
- Existing building challenges.
- Residential conversions.
- Mass timber
- Modular Construction.
- Pre-Fab
- Tiny Homes
- Temporary facilities.
- Multi-use buildings
- Evaluation of "FIT FOR USE"
- Practical Engineering principles
- Quality Management
- People First Approach to construction ideologies, philosophies + beliefs.
- Human to Human connection.

We encourage CMHC to support this Solution,

Jonathan Cinelli
